## CORN COB PIPES ALL THE RANGE.

American Tobacco Co. Giving Them  
Away Revives Popularity.  
Old-time pipe smokers have always  
said there isn't a sweeter-smoking pipe  
than a well-seasoned, natural corn  
cob, and judging from the reports of  
The American Tobacco Company, the  
pipe smokers of today have decided  
that the old times knew what they  
were talking about.

It has been the custom of this com-  
pany recently to give away different  
kinds of pipes free with purchases of  
tobacco; and the free corn cob pipes  
seem to have hit the highwater mark  
in popularity. Right now they are pre-  
sented each purchaser of a package  
of Peewees Long Cut Tobacco with a  
corn cob pipe called the "Togo."

The "Togo" is a natural finish corn  
cob, with a wickhead wood stem. The  
natural finish leaves the head open and  
allows the smoke to pass freely and  
smoothly, without the usual harsh  
smoke. The stem of the pipe is made  
of a special material which adds to its  
own attractive perfume.

Peewees Long Cut is a rich, full-  
bodied tobacco, made from pure South-  
ern Kentucky leaf, a clean, fine, medi-  
um weight, fragrant and tasty,  
equally good for both smoking and  
chewing, as satisfying to a sturdy  
man as to a delicate woman. The supply  
of free pipes is limited, so hurry to your  
dealer to get one.

### DECKMAYERS' PIPE

Will be on display at Sauer's sam-  
ple room Thursday, Friday, Feb. 26th  
and 27th at greatly reduced prices. E.  
Deckmeyer in charge.

## MAKING PLANS FOR ROAD WORK

County Road Commissioner Secur-  
ing Data to Be Used in Spring

The program of road improvements  
being planned by the Houghton coun-  
ty road commission for the coming  
year, will include the completion of  
the county road from a point near  
Toscoke in Osceola township to the  
Calumet township boundary, the ap-  
plication of another coating of tar binder  
to the remainder of this road com-  
pleted last year, and possibly the con-  
struction of an entirely new highway  
from the vicinity of the LaSalle mine  
to the Laurium boundary near the  
traction company's bar barns. R.  
Martin, engineer of the county com-  
mission was in Osceola this morning,  
and while not prepared to speak au-  
thoritatively on these projects men-  
tioned, admitted that he was engaged  
in securing data which would be used  
by the commission next summer.

There is no doubt that the road  
commission's first plan will be to com-  
plete work on the state-county road  
between Calumet and Houghton. The  
unimproved portion of this road about  
one mile lies in Osceola township, and  
work will consist principally of re-  
pairs to the present macadam high-  
way. But a few weeks will be re-  
quired to put it in first-class condition.  
Members of the road commission de-  
sired last fall that another dressing  
of some good road binder will be re-  
quired in the section of road already  
completed and arrangements will be  
made to apply this dressing this summer.  
The road will then be one of the  
best in the county.

The LaSalle-Laurium road project  
is a new one, so far as the county road  
commission is concerned, although it  
has frequently been mentioned by res-  
idents in the district affected. The  
proposed highway would run through  
four townships, Calumet, Osceola,  
Schoolcraft and Torch Lake and it  
is therefore apparent difficulty would  
be encountered in securing appropri-  
ations from all four townships to have  
the road built, although the need of  
the improvement has been recognized  
for a number of years. It would bring  
the rich farming district between Cal-  
umet and Highway in close touch  
with the local markets and at the same  
time expedite the development of  
mining territory in this section, thus  
increasing the district's resources. The  
building of the proposed highway  
would be a comparatively inexpensive  
venture for the county and would  
prove of untold value to the district  
involved.

### CARD OF THANKS.

We wish to thank our many friends  
for their many kindnesses and for  
the beautiful floral offerings. Espe-  
cially must we thank Mrs. Schumaker,  
Mrs. Wilcox, Mrs. Marston for  
their many attentions, Rev. Monahan  
of the Swedish Lutheran church,  
Dr. Kollman for his attentions and  
the employees of the Detroit  
Medical college for their beautiful  
floral offering. We feel that we can-  
not offer sufficient thanks for the  
many kindnesses bestowed in view of  
our great loss.

## CALUMET TOWNSHIP BOARD.

The Calumet township board will  
hold its regular March meeting in the  
office of Township Clerk Martin next  
Monday afternoon and the most im-  
portant business expected to come up  
is the setting of the dates of the pre-  
dicted caucuses and township conven-  
tion. The caucuses will be held the  
latter part of March.

## BIG CROWD EXPECTED AT THE HOCKEY MASQUERADE

COMPETITION FOR BIG PRIZES  
WILL BE VERY KEEN—  
FINE COSTUMES.

The largest crowd of the season is  
looked for at the masquerade skating  
and dancing party to be given in the  
Colosseum this evening under the aus-  
pices of the Calumet Hockey associa-  
tion for the benefit of the Calumet  
team. Hundreds of tickets have al-  
ready been sold and it is likely there  
will be just as many spectators in at-  
tendance as skaters.

The fine display of costumes in the  
band room of the big rink offered for  
rental by the Milwaukee Carnival Cos-  
tume company has attracted much  
favorable attention locally and al-  
ready many of the costumes have been  
engaged for this evening. Prizes of  
\$50, including \$10 for the best boys'  
and \$25 for the best girls' band of  
five pieces have aroused much interest  
and rivalry among the skaters. The  
judges of costumes will be James T.  
Fisher, Charles McIntyre, James H.  
Dee, Fernando Petermann and John  
D. Cuddihy.

Other features of the big party will  
be waiting on skates by members of  
the Calumet and Houghton skating  
clubs, an exhibition of fancy skating  
by Alex. Cameron and a grand march  
in costume.

The rink has been elaborately de-  
corated by the Glass Block, Vertin Bros.  
and Tamarack Co-operative stores.

### LOCAL BREVITIES.

the Osceola mine is seriously ill at his  
home.

The funeral of the one year old son  
of Mr. and Mrs. Timothy Hand of  
Osceola, whose death was reported  
yesterday, was held this afternoon  
from the residence, with interment in  
Lake View cemetery.

Prosecuting Attorney Anthony Lucas  
departed this afternoon for Chicago on  
a brief business visit.

Mr. and Mrs. George Rowe of Osceola  
la road are the parents of a daughter,  
which arrived this week.

A son has been born to Mr. and Mrs.  
John Onore of Centennial Mine loca-  
tion.

John P. Bryant, manager of the la-  
dies' and gents' furnishings depart-  
ment in the Vivian store, is in Chi-  
cago on a purchasing trip.

James Berryman of Elm street, an  
employee of the Hecla smith shop, was  
painfully injured this week, when he  
was accidentally struck in the face by  
a rebounding sledge hammer. His lip  
was badly cut, necessitating several  
stitches. He is confined to his home.

J. P. Smith of Escanaba, a former  
Calumet printer, now with the Delta  
Printing company, is in Calumet, called  
here because of the serious illness of  
his father, William H. Smith, an old  
pioneer of this section.

## MANY BOWLERS TO BE ENTERED

Doc H. O. Bell of Ishpeming to  
Manage Tourney Here

Ed East of Laurium, secretary of the  
Upper Peninsula Bowling Association  
has received a letter from "Doc" H. O.  
Bell of Ishpeming, who has suc-  
cessfully managed the various tourna-  
ments conducted by the association, in  
which he expresses his willingness to  
come to Calumet to direct the tourna-  
ment to be held here March 23 to 25.  
Officers of the association commu-  
nicated with Mr. Bell last week and re-  
quested him to come here and assist  
them with the details of the arrange-  
ments and his consent to do so makes  
it certain the event will be up to the  
usual standard.

Entry blanks were sent out yester-  
day by Manager Hoffenberg of the  
Calumet and the largest list of en-  
tries at any tournament in the upper  
peninsula is looked for. Interest in the  
tour is indicated by the fact that in  
two local tournaments there the  
principal prize is a guarantee of  
transportation for the winning team to  
the copper country meet.

Local officials believe that there will  
be from 200 to 400 bowlers entered in  
this meet, including all of the crack  
teams of the upper peninsula. The  
copper country alone will enter in the  
neighborhood of twenty-five men  
teams.

Manager Hoffenberg today submit-  
ted an order for new balls and pins for  
this tournament, the rules of the as-  
sociation providing that new pins must  
be provided for each five men team.

### CARD OF THANKS.

The undersigned wish to thank the  
many kind friends and neighbors for  
the sympathy shown us during our  
late sad bereavement, the death of  
Stanley Chapman. We especially  
thank Rev. A. B. Sutcliffe, the Laurium
